

Attachment No. 1 to Rules and Regulations of Zdrofit Fitness Clubs

RULES OF USING LOCKERS

1. Using:
 - a. lockers located in a locker room of the Club, not covered by the surveillance, designed for storage of personal items of a minor value, indicated in clause 8, locked with a key or a padlock (hereinafter referred to as “the Locker”);
 - b. deposit lockers, located near the reception desk of the Club, covered by the surveillance, designed for storage of valuable items, indicated in clause 10 (hereinafter referred to as “the Deposit Locker”), made available by Zdrofit in Clubs of Zdrofit fitness clubs’ chain is possible only during the Club Member’s presence in the Club.
2. Depending on the Club, lockers are secured with a key (available at the reception desk of the Club) or with padlocks. In case of Lockers secured with padlocks, the Club Member can use a padlock of their own, purchased outside the Club, or purchase or rent a padlock at the reception desk of the Club (current price list is available in the Club).
3. In newly opened Zdrofit Clubs and in Clubs, in which lockers secured with a key were changed to lockers secured with a padlock, for the first two weeks (from the opening or introducing lockers with padlocks) there is a possibility of renting a padlock for free. After this period, the possibility of renting a padlock is limited and available only for persons: using the Invitation to the Club (within the meaning of GTC), new Clients who use services of the Club under a Membership for the first time (within the meaning of GTC), as well as new Clients who use services of the Club for the first time under the Zdrofit’s Partner’s card. Zdrofit reserves the possibility of denying to rent a padlock at any time because of technical limitations.
4. Renting a padlock or obtaining a Locker key is possible at the reception desk of the Club, after leaving by the Club Member the Membership Card, Zdrofit’s Partner’s Card or a proof of identity.
5. The Club Member can use only one Locker at once. In case of Lockers secured with a padlock, the Club Member chooses available Locker at their own discretion. In case of Lockers secured with a key, the key available at the reception desk matches a particular number of a Locker.
6. In Lockers all personal items should be stored according to the below rules.
7. Lockers and Deposit Lockers are the only places at the site of the Club designed for storage of items. The Club is not responsible for items left by the Club Member outside the Locker or the Deposit Locker, save for the rules stipulated below.
8. Only items used for using services of the Club and necessary for it, i.e. a change of clothes, cosmetics of an average value, a towel, footwear of an average value, etc. can be stored in Lockers. The Club represents that Lockers located in the locker room are not designed for securing valuable items and do not have suitable protection guaranteeing safety of such items.
9. Before leaving the locker room one should check, if the Locker was closed properly with a key or a padlock. The Club Member is obliged to exercise due diligence concerning locking of the Locker after placing their items inside it, otherwise the Club will not be responsible for their loss or damage. In case of the Locker’s improper operation, the Club Member is obliged to inform

employees of the Club of this fact, otherwise the Club will not be responsible for the loss or damage of items left in the Locker.

10. Any valuable items (such as: a mobile phone, a watch, money, jewelry, documents, etc.) should be stored in Deposit Lockers located near the reception desk of the Club and covered by surveillance. The Club represents that Deposit Lockers are the only places at the site of the Club with protection suitable for storage of valuable items. In case of leaving valuable items outside the Deposit Locker, including the Locker, the Club will not be responsible for their loss or damage.
11. After placing valuable items in the Deposit Locker, one should check, if the Deposit Locker was closed properly. The Club Member is obliged to exercise due diligence concerning locking of the Deposit Locker after placing their items inside it, otherwise the Club will not be responsible for the loss or damage items left in the Deposit Locker. In case of the Deposit Locker's improper operation, the Club Member is obliged to inform employees of the Club of this fact, otherwise the Club will not be responsible for the loss or damage of items left in the Deposit Locker.
12. After using services of the Club, the Locker and the Deposit Locker should be emptied and left open (in case of Lockers secured with a padlock – they should be left without a padlock). The padlock rented from Zdrofit should be returned at the reception desk.
13. In case of a rented padlock not being returned or in case of a loss of a key to the Locker, the Club Member is obliged to pay a fee amounting to PLN 20 (say: twenty).
14. The Club Member using a padlock being their own property can leave the padlock in the Club on a special crate designed for this purpose, provided by Zdrofit.
15. If the Club Member using a padlock leaves the Locker locked after the training, on the same day, after closing of the Club, the Locker will be opened by cutting the padlock. Zdrofit does not reimburse the cost of destroyed padlock to the Club Member. If the padlock is rented from Zdrofit, the Club Member will be charged with a fee amounting to PLN 20.
16. A protocol concerning the act of opening of the Locker, which indicates the time and place of the act, the list of left items, number of the Locker and the signature of a person conducting the opening will be drawn up. Items left in the Locker by the Club Member will be placed in a special bag. An appropriate institution, according to the applicable regulations, will be informed about the fact of finding items in the Locker.
17. The Club Member, who left items in the Locker opened by Zdrofit, will be charged with costs of storage of the items, keeping them in a proper condition, as well as of the search of their owner.
