RULES AND REGULATIONS OF THE CRÈCHE

The rules indicated below were introduced in order to ensure appropriate care and safety of children. We would like to ask you to learn the rules before leaving your child in the Crèche.

1. Only children of Club Members remaining in the Club can use the Crèche (applies to children aged 3-12).
2. The care of children in the Crèche is free of charge as long as a parent or a guardian is using the services of the Club at the same time, save for item 3.
3. Zdrofit reserves the right to disable the use of the Crèche for a limited time due to the caretaker's unavailability or other objective reasons.
4. In order to leave the child in the Crèche, one need to enroll the child at least two hours before in person at the reception desk of the Club or by phone.
5. The condition for leaving the child in the Crèche is filling up and signing an appropriate form, the specimen of which is available in the Club and which includes at least: name and surname of a parent or a guardian, a parent's or a guardian's phone number, name and surname of the child, a place at the site of the Club where a parent or a guardian is planning to remain during the child's stay at the Crèche.
6. Parents or guardians are responsible for damages caused by children.
7. Children should change footwear.
8. While leaving the Crèche, children should put away toys they played with.
9. Children should not come to the Crèche with their own toys, because Zdrofit is not responsible for the toys brought along by children. The regulation is justified by the nature of the Crèche (two children can bring along or possess toys similar or identical to toys available in the Crèche, what can cause troubles in establishing to whom belongs a toy; toys can be destroyed during the play or could have been brought along destroyed, which can cause troubles in establishing who is responsible for the damage etc. In light of the above, the rule ordering the toys not to be brought along or brought out of the Crèche applies.
10. The child should not have valuable items on them (e.g. a phone, a watch). Valuable items should be placed in a deposit locker in accordance with principles concerning the storage of items at the site of the Club.
11. Only a healthy child who does not need special care can be left in the Crèche. In case of doubts regarding the child's health condition, the caretaker on duty can demand the presentation of a medical certificate. Employees of Zdrofit have no right to give medicines to children.
12. In case of contagious disease, parents of the sick child are obliged to inform the Manager of the Club about it immediately.
13. Employees of the Club are not obliged to change children's diapers or clothes.
14. The opening hours of the Crèche are the same as the opening hours of the Club. The opening hours of the Crèche are displayed on the information wall in the Club, in which the Crèche is available and on Zdrofit's website www.zdrofit.pl.
15. The child should be collected from the Crèche by a parent or a guardian, who left the child on that day, before the closing time of the Crèche.
16. The time of the child's stay in the Crèche cannot be longer than 2 hours per day.
17. Zdrofit has a right to decline taking in the child to the Crèche when:
    1) the child does not meet the requirements specified herein;
    2) there are too many children in the Crèche, what can cause a risk of a lack of possibility to ensure proper care.
18. Zdrofit has a right to ask a parent or a guardian to collect the child from the Crèche because of blatantly improper behavior of the child, with whom employees of Zdrofit cannot deal, especially when the child acts improperly towards other children.

19. In the Crèche, a limit on a number of places can be applied and it can depend on the size of the Crèche and a number of caretakers. Information about a possible limit is available in the Club, as well as on the website www.zdrofit.pl.
20. The Crèche is designated exclusively for children, which means that a parent or a guardian cannot stay in the Crèche with a child.
